HOW TO GET TO THE CRUISE (SELF DRIVERS)

Break up your journey to Kakadu by enjoying a spectacular wildlife cruise along the way. Our cruise is located 105km from Darwin and is the closest wetland cruise available to visitors. Day tours are available from Darwin or you can drive yourself to the cruise. **Please allow approximately 90 minutes driving time from Darwin to Corroborree Billabong.** The cruise access road adjoins the Arnhem highway 1km East of the Corroborree Park Tavern and the last 2km of the road is unsealed (though fairly well maintained). If you do not wish to drive on an unsealed road, a shuttle service is available from Corroborree Park Tavern & Campground on the Arnhem Highway (21km from the cruise - see map above).

This shuttle service departs 30 minutes before the listed cruise times and costs \$10 Adult / \$5 Child return. Please ensure you are at our waiting area prior to departure times. Bookings are essential (limited seats)

ACCOMMODATION NEARBY - CARAVAN PARKS & CABINS

There is a variety of accommodation nearby offering powered and unpowered sites as well as self contained cabins. Meals and refreshments are also available onsite. Join us for a sunset cruise on the wetlands then stay overnight in the Mary River Region.

Corroborree Park Tavern - (08) 8978 8920. Distance from cruise 21km (20 minutes)

Breeze - Mary River - (08) 8978 8877. Distance from cruise 45km (35 minutes)

Bark Hut Inn - (08) 8978 8988. Distance from cruise 46km (35 minutes)

Excellence
2013 - 2020

“THIS IS A
WETLAND
EXPERIENCE
NOT TO BE
MISSED”

Corroboree Billabong is part of the Mary River Wetlands, which are teeming with birds and also have the largest concentration of saltwater crocodiles in the world.

These wetland habitats provide an ecologically sustainable environment and are a paradise for birds, fish, crocodiles and other wildlife. A visit to the Top End would not be complete without seeing these pristine wetlands and discovering a spectacular landscape that has not changed for thousands of years.

The birdlife here is fantastic with many different species present. During our cruises we regularly see Jabirus, Kingfishers, Ibis, Brolgas, Jacanas, Egrets, Bee Eaters, Kites, Sea Eagles, Whistling Ducks and Magpie Geese along with many others. Enjoy a scenic cruise around this picturesque billabong viewing crocodiles, birds and other wildlife in their natural environment. Learn about wildlife on the billabong from your knowledgeable and experienced guide who will make your cruise both fascinating and informative.

Our boat offers unrestricted views of the wildlife right next to you, providing fantastic photo opportunities. Our custom design cruise boat (maximum 29 passengers) has a flat bottom hull so we can travel through reasonably shallow water, guaranteeing that you will see plenty of wildlife, unspoilt scenery and nature at its best.

2.0 Hour Sunrise Cruise Adult \$90 / Child \$60 / Family \$280

6.45am Cruise
Departs Daily (1st June – 31st August)
The reward is well worth the early start as you watch the wetlands lighting up in spectacular colours as the sun rises over the horizon..... simply stunning!
Our 2.0 hour sunrise cruise is perfect for watching the morning activity of the local birdlife. Being our coolest months of the year, the water temperature early in the morning is warmer than the air temperature so most of the crocodiles prefer to be in the water and not out on the bank. This cruise is therefore not the best choice for people wanting to see lots of crocodiles, but a fantastic cruise for people who wish to see lots of our spectacular birds and a beautiful sunrise over the wetlands.

Cruise Package Available

1.5 Hour Morning Cruise Adult \$75 / Child \$45 / Family \$220

10.00am Cruise
Departs Daily (1st April – 24th October)
Our 1.5 hour morning cruise allows you the opportunity to view plenty of wildlife, while cruising past sections of beautiful flowering pink lotus and water lily lined banks as we explore these picturesque wetlands.
Our guides local knowledge of the region provides you with the chance to view large salt water crocodiles and a good variety of spectacular birdlife in their natural wetland habitat. Enjoy great photo opportunities while viewing the wildlife up close and personal.
We have been operating cruises here for over 20 years so sit back, relax and let us take you on an unforgettable journey introducing you to these amazing wetlands and the wildlife that inhabit them.

2.5 Hour Lunch Cruise Adult \$110 / Child \$70 / Family \$340

12.45pm Cruise (includes lunch)
Departs Daily (1st April – 24th October)

Our 2.5 hour cruise allows time to really explore the wetlands without any rush. Discover the quieter sections of the billabong as we meander through the various interconnecting channels, viewing crocodiles and beautiful birdlife.

The wetlands “best locations” are constantly changing throughout the season. Having lunch onboard the vessel allows us the flexibility to select the most suitable location where you can enjoy a delicious lunch, surrounded by nature at its very best. Lunch consists of a selection of cold sliced meats and a delicious salad with optional dressing and bread available. (see picture below)

Even though this cruise is operating during the warmer part of the day, because of its longer duration there is still plenty of opportunity to view the local wildlife. This cruise is not recommended for young children.

2.0 Hour Sunset Cruise Adult \$95 / Child \$60 / Family \$290

4.30pm Cruise
Departs Daily (1st April – 24th October)

Late afternoon is generally the best time of day to see animals and our 2 hour sunset cruise allows you to view the wildlife during a very active period. Birds are trying to catch their final meals before flying to roost for the evening and crocodiles are on the move ready for a night of hunting. Add to this a spectacular sunset over the floodplains and it's easy to understand why this is one of our most popular cruises. If you enjoy having a quiet beer, wine or soft drink at sunset, please feel free to bring a few drinks along in a small cooler bag.

If driving after dark concerns you, we operate a return transfer service to the cruise (bookings essential) from Corroboree Park Tavern and Campground Adult \$10 / Child \$5. From here there are also several other accommodation venues within only 15 minutes drive, offering a variety of good quality accommodation options. (See back page for details)

Private Cruises and Group Charters

We have 2 vessels available to cater for school groups, special interest groups, work functions and special occasions. Cruise start times and durations can be tailor made to suit your requirements. Please contact us for more information or to arrange a quote.

1 Day Tour from Darwin Adult \$210 / Child \$130 / Family \$660

Pick-up 9.00am and return 5.00pm
Departs Daily (1st May - 24th October)

The day starts with a pick-up from your Darwin accommodation at around 9am. Listen to interesting commentary about the region from our knowledgeable guide as we make our way to Fogg Dam Nature Reserve. Originally set up as a large scale rice growing project in the 1950's, this location is now a haven for many varieties of birds that we get a chance to admire. Enjoy the view as you behold the massive expanse of floodplain stretching out to the horizon in-front of you. After a short break for morning tea we make our way towards Corroboree Billabong. Your highlight for the day is an amazing 2.5 hour cruise on the wetlands, viewing an abundance of birds, crocodiles and wildlife in their natural habitat. Enjoy a delicious cold lunch on the wetlands, surrounded by nature at its best, as we get “up close and personal” with plenty of local wildlife. From here it is just under 90 minutes drive to return you to your Darwin accommodation around 5pm. Minimum Age 5 years old.

Tour includes a 2.5 hour wetland cruise (max 29 pax), picnic lunch, hotel pick up & drop off, airconditioned transport (max 20 pax) and experienced guide.

Driving Distance = 250km

1 day tour & 2.5 hour cruise lunch
